

Why support OAPEN & DOAB?

info@oapen.org

OAPEN and DOAB are not-for-profit, not for sale, and committed to the POSI principles. When you support us, you help sustain open infrastructures for books and receive various benefits including:

TRUSTED HOSTING & PRESERVATION

Free hosting, distribution, and preservation services for affiliated publishing entities

STREAMLINED METADATA INTEGRATION

Seamless integration of metadata for OAPEN Library and DOAB collections in different formats

FLEXIBLE METADATA EXPORTS

Bespoke metadata exports for the OAPEN Library through our flexible export module, MEMO

INSIGHTFUL ANALYTICS & DASHBOARD

Access to usage statistics via the COUNTER reporting dashboard for the OAPEN Library

This is how *you* can support us.

info@oapen.org

OAPEN and DOAB are grateful for financial support from more than 300 libraries that enable us to maintain and develop our services and to meet your needs.

Organisation type and size	Annual support fee Recommended by SCOSS
Large organisations from high-income countries	\$ 4,850 / €4,000
Small organisations from high-income countries	\$ 2,400 / €2,000
Organisations from low- and middle-income countries, smaller budgets, and non-profits	\$ 1,200 / €1,000

Organisation type and size can follow local frameworks or be at the discretion of the institution. Institutions who sign up for three years' support receive a 10% discount. Consortium discounts are also available. Special contributions are accepted.

oapen is a non-profit organisation supporting the global transition to open access with 40,000+ peer-reviewed OA books.

Its mission is to increase the **visibility and impact** of open access books.

doab is an independent, global, community-driven indexing service with a collection of 100,000+ peer-reviewed OA books.

Its mission is to increase the **discoverability and trust** in open access book publishing.
